

INTERNATIONAL KNX CERTIFICATION CONFERENCE

The second edition of the KNX Certification conference is mainly intended for KNX certification coordinators and KNX test labs as well as potential members / test labs.

Each (potential) member company/test lab that signs up and attends this conference will receive:

- a voucher for a free EITT 4.3 (one voucher per (potential) member company/test lab, if applying within 6 months after participation to the workshop)

Each (potential) member company that signs up and attends this conference will receive a:

- a waiver of some of the registration costs of their first product registration request sent in 2018, i.e.
 - ◇ If applying for a main certificate: Waiver of the registration fees of one new product submitted for registration (Normal registration fee is 600 € for hardware + 180 € for software). We will only charge you 180 €.
 - ◇ If applying for a derived certificate: Waiver of the registration of one OEM product submitted for registration (Normal registration fee is 180 € for hardware + 60 € for software). We will only charge you 60 €.

Sign up on: <https://registration.knx.org/en/certification-conference-2018>

Maximum number of participants: 50 ! Deadline for registration: 10/10/2018

Participation costs: Free of charge
